Direct Livestock Marketing Systems

Forestburg, AB

REDRICH FARMS

Welcome

We would like to welcome you to this year's sale at Redrich Farms. We **THANK YOU** for your continued support of our program.

What a year we have had here at the farm. We had a successful spring and harvest, crop yielded incredible and it made heading into fall and winter not so stressful. Calves grew well on pasture and have continued to move forward, our best gains on the bulls to date. We welcomed visitors to the farm this summer to view the cows with calves at foot, there were many favorites picked out. Summer was different for us just like everyone else – got projects done and thought of a few more, staying home gets things done! You will notice in the book a few pictures of the man that meant so much to all of us here at Redrich – our dad and grandpa,

Allan, passed away in October. His wisdom and genuine smile is missed by all of us, he was what started the farm along the Battle River and we just hope we do what he started justice as we keep living the dream.

We feed the bulls a TMR with the supplement from Bullseye Feeds to ensure growth and health in the bulls. Bulls will be semen tested prior to the sale for breeding soundness.

As you look through the pages of the catalog we trust you will find what you are looking for – calving ease, easy fleshing, good feet and we have some power bulls that will work great on cows.

We have Angus BULLS – Red & Black, Simmental BULLS– Red & Black and we have offered some purebred heifers Angus & Simmental, along with some pens of Commercial Heifers and April calving commercial bred heifers.

As sale day gets closer please don't hesitate to call Bill, Ty or Gus. With restrictions and interesting times we are living with we want you to know we will be conducting our sale similar to last year, DLMS will be on-site to handle Internet bidding as Ryan conducts the 3rd Annual Redrich Bull Sale. Bulls and heifers are here for you to look at any time, Bill and Ty can show you the bulls and their mothers, we enjoying meeting new friends and re connecting with others.

The Bohrsen sale staff or Roger Peters are also available for input into purchases you would like to make, don't hesitate to give them a call.

We look forward to you joining us **March 30 at 2:00.**

Bill, Tracy & Family << Ty, Shania & Rigley << Bailey

Redrich Farms

3rd Annual Bull Sale

Tuesday, March 30th, 2021 - 2:00p.m.

at Redrich Farms - Forestburg, AB

780.889.2259 | redrichfarms@gmail.com

- » All bulls will be **SEMEN TESTED** and vet inspected.
- » **SALE DAY WEIGHTS** and **SCROTAL MEASUREMENTS** will be provided sale day.

On Offer **55** Yearling Bulls / **29** Open Heifers
Commercial & Purebreds

31 - Red Angus Bulls
4 - Black Angus Bulls
20- Red & Black Simmental Bulls
9- Purebred Heifers (Red & Black Angus & Simmental)

Calving Ease Legend

Calving ease is often related to birth weight of a bull. This is partly true but there are other factors that influence calving ease. The dam and her management are at least 50% of calving ease. Also, the consistency of the birth weights of the sire and dam should be considered. We rated each bull in the sale based on the information we have.

- *** Should be minimal problems when bred to moderate sized heifers.
- ** Recommend for second calvers and larger framed heifers
- * Recommend for mature cows

Delivery Options

- A. If you wish you may take your cattle home sale day or within a week and receive a \$100 discount per Bull.
- B. Bulls & Purebred heifers will be delivered free of charge up to 250 miles, further at cost. Delivery usually commences 2-3 weeks after sale.
- C. We ask that ALL commercial heifers go home sale day unless prior arrangements have been made with Redrich, contact us for options.
- D. Bulls kept at Redrich free of charge until MAY 1st, after that, \$3.00/day will be charged and animals must be picked up by purchaser.

***** ALL BULLS STAYING AT THE FARM MUST BE INSURED BY PURCHASER**

Sight Unseen Purchase Guarantee

If you are unable to make sale day, we have a "Sight Unseen Purchase Plan". Under this program you will tell us about your needs and price and we will then have a buyer of your choice purchase the bull on your behalf. Upon delivery, if you are not satisfied, we still own the bull.

Terms & Conditions

Bidding: Each animal will be sold to the highest bidder. Bidding disputes: The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

Terms: The terms of the sale are cash or cheque. The right of property shall not pass until settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the sale facility. Each animal becomes risk of the purchaser as soon as sold.

Guarantee: We guarantee you a sound breeding bull, if he fails to be a satisfactory breeder, we will replace him with a bull of equal value or credit towards the purchase of another bull. No refunds. Bulls are not guaranteed to freeze semen, if you have any problems with your purchase, contact us immediately.

Insurance: Will be available sale day. All bulls fed for the month of April are at the purchasers risk and must be insured.

Liability: All persons who attend the sale do so at their own risk. Neither owners, clerks, or anyone connected with the sale assumes any responsibility, legal or otherwise for damage of any kind.

Announcements: Changes of information contained in this catalog will be corrected by announcements from the block at sale time and shall take precedence over any printed material.

Semen: Redrich reserves the right to collect semen on any bull sold through the sale for in herd use only. This will be collected at the buyers convenience and seller's expense.

Delivery: Delivery will commence in April, Please leave delivery instructions at the time of settlement.

Certificates of Registry: A certificate of registry and transfer will be furnished for each animal after full payment has been made.

Cattle Inspection: All cattle carry permanent ID tags corresponding to sale lot numbers. All shall be available for inspection prior to sale.

Females: All females are guaranteed breeders. The standard CAA guarantee will apply.

Mark Cameron VP of Nutrition, Doug Roxburgh Beef Consultant, Joe McLean Beef Consultant, Trevor Hamilton Beef Consultant, Brayden Schmidt Beef Advisor, Greg Armson Beef Consultant, Kelly Resler Beef Consultant, Tom McNeely Co-Founder, Ryley Noble Beef Advisor

Bill's latest word of the day is NEXT GEN. Bill and Tracy have successfully introduced the next generation into Redrich and it is paying off. They are all very committed to the ag industry, and it is a pleasure working with the entire family on their bull nutrition program.

The bull feeding program is built to maximize forage utilization and gut health; they are developed on grass with their moms and then moved onto a balanced TMR that promotes

lean muscle. The bulls are challenged with a foraged based TMR to help them develop to their genetic potential.

Organic minerals are used to ensure proper immune function and overall health. If you have any questions about the nutrition of the sale bulls, please feel free to call. Best of luck on sale day!

Internet Bidding Available.

- This guy will work on heifers.
- Nice Bull from a first calver.
- March calf that indexed 108 at weaning.
- Maternal granddam is a full sister to our calving ease curve bender bull that we raised, Sizzler.
- The 409B cow was a very successful show cow for Lexi
- This year the Canadian Angus Foundation also has added a neat fundraiser where we will donate 15% of the price paid for this bull to the Foundation

Maternal Great Granddam

We are proud to support the
Canadian Angus Foundation 15 for 50 Program

With **YOUR** help we will continue to further the Foundation's mission and the breed.

15%
of a lot
means
a lot...

In 2019 over \$80,000 was **INVESTED** in member education, awards, bursaries and youth scholarships.

\$180,000 invested in **ANGUS** research over the last three years leveraged an additional \$360,000 in grant funding.

\$60,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

If you are interested in giving back or learning more about this new initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-757-6133 or email bwagner@cdnangus.ca. You can also visit the Canadian Angus Foundation website at www.cdnangus.ca/foundation/.

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

Yearling Purebred Heifers

These Red Angus and Simmental heifers sell with papers and they are right off the top end of our replacement pen. Our females are bred for soundness and correctness to become valued females in any herd. They have all been palpated for breeding soundness by our vet and will have their first shot of CattleMaster VL5. For more details on these females please feel free to contact us.

Extended Thank-you to those that supported us this fall and bought these females...

Commercial Heifers

The Angus heifers sell without papers and the majority of these heifers are Red Angus/Simmental cross, with many of them being F1 from two purebred parents. These commercial heifers are bred for soundness and correctness to become valued females in any herd. They have all been palpated for breeding soundness by our vet and will have their first shot of CattleMaster VL5. For more details on these females please feel free to contact us.
